

High School Preparation Course

WIE High School Preparation programme is designed for students who will attend high school in New Zealand. The class will be student-oriented and communicative task based.

The course aims to:

- To raise the level of the student's standard of English to that required for success in a New Zealand High School.
- To prepare students for study in a New Zealand High School
- To assist students to communicate more effectively in a variety of settings
- To assist students to adapt to the expectations and culture of NZ High Schools and the NZ curriculum

Course Outcomes: (level appropriate)

Reading: to be able to read texts varying in length and complexity, which relate to school subject areas and the demands of everyday school life.

Writing: to be able to write reports and argumentative essays.

Listening: to be able to understand familiar topics and be able to understand a variety of school-based listening contexts (e.g. announcements, teacher instructions, classroom lessons, social interactions between students).

Speaking: to be able to talk about familiar topics and give explanations and reasons for opinions. To take part in classroom discussions.

Grammar: to be able to understand and apply the body of rules surrounding English grammar in everyday contexts, including the use of nouns, adjectives, verbs, prepositions, tenses, sentence structure and phrases.
