Homestay Information for students

Living with a New Zealand family in a Homestay arrangement is a valuable experience for both you and the family as it offers insights into the lifestyles of other cultures. Please speak English as much as possible and participate in family activities and routines. Please read all of the information below very carefully so you know what to expect from your family, and know what is expected of you.

GENERAL HOUSEHOLD RUNNING

Every family has their own routines, so please ask about these when you first arrive, as it may help you to settle in and feel more included in family routines.

1. Please ask your host family where they keep spare bedding, blankets, etc. so you don't get cold in the night.
2. Please ask about meal times and where food, cups, plates etc are kept. Students must not make arrangements to go out with friends without notifying the host family and gaining their approval first.
3. It is your responsibility to keep your own room clean and tidy.
4. Please try to speak as much English as possible, so try to talk to your host families. If you don't try to speak to them, they will think that you are unhappy, so they will worry about you. It doesn't matter if your English is wrong, or sounds strange.
5. If you get some food that you don't like, please tell your host family. If you don't like it, you don't have to eat it. If you don't tell them, they may give you the same thing again.
6. Please make sure that you keep your belongings tidily and in a safe/secure place. If your host family has small children, please make sure that your medicines and other valuables are kept out of their reach.

MEALS AND FOOD

Homestays will provide under 18 students with 3 meals per day, breakfast, lunch and dinner and over 18 students with 2 meals on week days, breakfast & dinner and then three meals on the weekend, breakfast, lunch and dinner.

Please inform your family in advance if you will not be home for dinner, or if there are any foods that you cannot eat or don't like. Please note that if you are under the age of 18, you are not allowed to go out alone. Should you have any questions about this rule, please speak to your homestay family or to the WIE homestay coordinator, Sam.

CLEANLINESS

Please ask your host family how to operate the shower/bath, water system. Also, please ask about the procedures for disposing of personal hygiene products if necessary. You must provide your own personal hygiene goods such as toothbrush, shampoo and conditioner. Ask your family when it is most convenient for you to have your shower. Some families with young children will need to use the bathroom in the evenings to give their children a bath. Working families tend to use the shower first thing in the morning before going to work.

WASHING

Please ask how to use the washing machine, and also where to hang your clothes. You are responsible for your own ironing so ask the family how to use their iron.

TELEPHONE

Please ask your host family for permission each time before using the phone. You are responsible for paying for any toll calls or mobile phone calls that you make. Telephone accounts must be paid once a month, including mobile phone calls. You can buy a phone card which is an extremely cheap option. Try not to spend a long time on the telephone as host families may need to use their phone also. If you are using the family's phone line, be considerate and don't use it during hours when they may be expecting a call. Check with them about a convenient time.

HEALTH

All students must have their own medical insurance. If you are under 18, please contact our office immediately or ask your host family to contact us if you feel unwell or are in psychological or emotional distress. Phone the Homestay Co-ordinator Sam Schlierike (07) 8382450 or for out of hours call the school Homestay Co-ordinator on 0221048705, and arrangements will be made to seek Medical Treatment. If it is an Emergency, all students must be taken to Anglesea Clinic or in serious cases Waikato Hospital Accident and Emergency department and our Homestay Co-ordinator or Manager must be notified immediately.

DIFFICULTIES

If you are having problems in your Homestay, please inform us as soon as possible. If the situation is unsatisfactory for you, and the problem can not be resolved, then you will be removed from your homestay. There are complaints forms and procedures available from the office.
